Charge the Turf

Bulls Beak charges turf with strength and staying power. With three forms of nitrogen and a slug of chicken manure, this blend builds color and density while feeding soil life. The "beak" hits hard, then carries momentum for long-lasting performance.

Key Features:

- 65% Slow-Release Nitrogen for sustained performance
- 3-Prill, No-Filler Formula: every granule provides plant nutrition
- Fast response from Nitrate and Ammoniacal Nitrogen
- Includes Organic Matter from chicken manure for soil and microbial health
- Feeds Turf and Soil simultaneously

Use it when: Turf needs a visual pop, quick recovery, and sustained performance.
